

New Brake Kits Are Available

Dear Half-Mast,
I hear there are new brake kits for HEMTT -A4s. Can PS give me the details?

WO1 H.E.

Dear Mr. H.E.,

Yes, we can! The new brake shoes in these kits are a set of four, replacing the single-wheel type. Each kit services one axle and includes shoes for the left and right sides. This table tells you everything else you need to get 'em:
